Boundaries and Assessment

Since its inception, the Downtown BID boundaries have expanded twice, and now include the area shown on the map. No changes are proposed for 2023.

The assessment levy for the Downtown BID has been 100% of the base business license tax levied by the City of Riverside since July 1, 2000. There is no proposed change in the assessment levy for the 2023 calendar year.

The recommended activities and new efforts are based upon the current assessment levy.

Strategic Planning

With the assistance of a consultant and with input from stakeholders, RDP developed a strategic plan framework for 2022 to 2026 which was adopted by the Board of Directors at their July 13, 2022 meeting. With the adoption, the focus of RDP shifted to reflect its new vision, mission, values, and goals. Its activities and efforts in 2023 will continue to do so.

One important aspect of RDP's strategic planning was adopting values and descriptive phrases reflecting desired actions for the first time. These values are:

- Welcoming We embrace those within our community and those who visit.
- Advocacy We are a champion for our community's needs and priorities.
- Responsive We are supportive, helpful and add value to our members.
- Connected We encourage dialogue, and cooperation within our community.
- Proactive We continually seek ways to support and enhance our community.

Responding to Emerging Needs

As part of its initial strategic planning, RDP conducted several surveys and held a downtown forum to get in-person responses and concerns from downtown businesses and constituents about issues and priorities. Initial findings included RDP increasing its advocacy efforts and outreach to businesses, as well as adding new programs such as 'clean and safe' efforts.

A number of focus groups and interviews were held by the consultant with various stakeholders and the responses used to formulate the initial framework for the strategic plan with the assistance of the consultant.

In future, emerging needs will be identified and responded to through the strategic goal of expanding our services and value to our members.
